THE PARAMOUNT INVESTORS CLUB

The Paramount Investors Club is the perfect vehicle to assist you in assembling a potentially profitable collection of rare coins. You may select your area of specialization. Unless you inform us otherwise, all selections you receive will come from the area of your main interest. We offer the following areas from which you may choose.

- **Silver Dollars** — Silver Dollars have been among the most rapidly appreciating coins in recent years. In fact, Silver Dollars are the most widely collected denomination of U.S. coins. Paramount is the leading dealer of quality Silver Dollars and we always carry a large inventory of dates. Over the years, we have assisted many collectors in acquiring complete sets of silver dollars. All dollars in this program will grade Mint State 60 or better.
- **Commemorative Coins** — Commemorative coins are considered by many to be *the most underrated* of all U.S. coins. Mintages are extremely low when compared to other series. Prices, on the other hand, are very reasonable when you consider the mintages. Paramount always has a large selection of mint state commemoratives available. All commemorative coins in this program will grade a minimum of Mint State 60.
- **United States Gold Coins** — A very specialized area primarily for the more serious investor or collector. Included are rare individual dates, beautiful and rare gold proofs, etc. These coins are generally available only to the investor selecting the $1000 (or higher) per month program. Truly rare and choice gold coins cannot be acquired for lesser amounts. Price appreciation for such coins has historically been very favorable. All rare date gold coins included in this plan will grade EF-40 or better.
- **United States Type Coins** — Type collecting is one of the more popular methods of collecting. This program involves the acquisition of a representative example of every U.S. coin design. Specific dates are not collected. This program can also include gold coins, if you desire. All type coins sent in this program will be in the highest possible condition.
- **Specialized** — Our specialized program is just that — specialized to fit your own personal desire and goals. We will gladly assist you in assembling a set of Indian Head cents, Shield nickels, Liberty nickels, Barber dimes — or whatever. Tell us specifically

what you want in your portfolio and we will take it from there. Personal service to you is our objective with this and all our investment programs.

- **General** — The coins included in this program will be non-specified. For instance, you might receive rolls of Mint State Coins, Silver Dollars, Commemoratives, etc. In all likelihood, you will receive duplicates. Our staff will select only quality coins which we feel offer you potential growth. Both United States and Foreign coins will be included in this plan.

By joining the Paramount Investors Club you are assured of getting high quality coins at fair market prices. To guarantee this fact, we enclose with each shipment of coins a Certificate of Authenticity which is your guarantee that each coin you receive is fairly priced, properly attributed and correctly graded.

Our expert staff is always ready to assist you. If you are looking for a particular rare coin or want more information on our monthly or quarterly programs, just call Toll Free 1-800-543-2192 and ask for Don Slouffman, our experienced Personal Service Representative.

SAN FRANCISCO SILVER DOLLARS

Silver Dollars are the most popularly collected coin series. We have a small number of 1888-S and 1890-S dollars available at a savings of $70.00 when you buy both.

The 1888-S is a very low mintage date with only 657,000 minted. While much of this original mintage was placed directly into circulation, a large percentage was also melted. It is estimated that as few as 15,000 pieces exist in Mint State 63 or better.

Though the 1890-S has an original mintage of 8,230,373, it is estimated that a tremendous number were melted with less than 15% surviving. We are confident you will be pleased with our Mint State 63 coins.

S-Mint Special, 1888-S & 1890-S MS-63 ..... $250.00
